Annual Ridge Production Sale

Saturday, March 10, 2012

At our Sale Barn • Livingston, MT • 1:00 pm

Happy and Prosperous 2012! Wow, where did 2011 go? By all reports with the exception of the drought areas, 2011 was a great year to be in the cattle business, and the Red Angus breed did even better, taking a bigger piece of the pie.

Spring 2011 was wet and cool, and grew lots of grass as summer stayed cool. We've had little moisture in the fall, but overall it has been a great grass year. As normal, the bull calves summered in the high mountains gaining weight and building lots of muscle as they walk to various pastures and watering tanks. The tough environment they run in while at their mothers' sides, gives them an advantage when they go to other less harsh environments where they excel once becoming breeding bulls.

Over the years, through careful planning and hard culling, we have developed a very productive set of cows. It takes good cows to make good bulls. Although there is always room for improvement, we feel from top to bottom we have a set of bulls as good as or better than you can find anywhere else. We continue to offer different pedigrees, targeted at delivering to you a group of breeding bulls that are moderate framed with extra capacity and depth. If you have not looked through our offering we welcome you to stop by and take a look at the 2012 group. We think you will find that with time we have developed a very even set of top quality bulls. After weaning we still feed a high

roughage ration, to ensure each individual bull calf expresses his own genetic merit. We target our feed ration for ADG of 3.0 lbs. For one stop shopping, we offer a number of sure fire "sleep through the night" heifer bulls. A group of bulls that are dual purpose and an exceptional group of high growth bulls for mature cows. We are working hard to offer a set of bull calves that fit a wide variety of commercial programs, while maintaining our philosophy of balanced, efficient cattle, which possess strong maternal traits and deliver a high quality carcass with well above average growth.

Please inquire to jim@srredangus.com or call 406-333-4225 for catalogs, DVDs or more information. At The Ridge "where you get more bull than you pay for", we give a volume discount of \$50 per bull when buying 5 or more. For new customers, bring the coupon and get a 5% discount on your 1st bull. For our loyal every year customers, there are discount programs available for you as always. If you're not able to attend the sale, we offer a sight unseen purchase guarantee where you can bid on the conference line, through the internet, or we can give you one on one personalized service via a separate private phone line.

All sale animals are coming from one of the few certified **Brucellosis free** Red Angus herds in Montana.

Sale cattle are **BVD-PI Free**. *You can buy from The Ridge with confidence that every step, be it vaccination or testing, has been taken to insure you are buying healthy high quality cattle.*

Coupon

5% discount

For new buyers on your first bull!

10% discount

For repeat customers on your 10th bull purchase!
(Accumulated over the years)

Call us at 406-333-9506 today for more information on these offerings or check out our website at www.srredangus.com
